

## **Recurring Payment Authorization Form**

In order for you to automatically pay your auto insurance premium bills from your credit card, please complete all fields below, sign, date and fax to 866.424.9510. Please provide the below requested information. All information provided is strictly confidential. Bluefire Insurance Services and our card processor ProcessOne adheres to strict standards for account data protection.

## Here's How Recurring Credit Card Payments Work:

You authorize regularly scheduled charges to your Visa or MasterCard. You will be charged each billing period for the total amount due for that period. We will notify the policyholder of any changes to his/her premium and spread any additional costs (coverage increases, for example) over the balance of his/her payments. If any changes are processed after the last charge for the policy term, additional premium and applicable fee(s) will be charged separately. The policyholder will always be notified in advance about any changes to his/her charges. All charges will appear on your credit card statement as **ProcessOne / Bluefire Insurance Services**.

This Recurring Payment Authorization / Periodic Charge shall remain in force until cancelled in writing and we require a minimum of twenty days for the written notice.

## **IMPORTANT NOTICE:**

If the charge cannot be processed or is declined on the due date of the **Installment Notice**, the policyholder's policy may be subject to cancellation. In such event, a notification will be issued not less than 12 days prior to the effective date of cancellation.
